

Hello!

Welcome to Confirmation 2022-23!

Confirmation will meet on Sunday mornings from 9:45am - 10:45am as well as Wednesday nights from 7pm - 8:30pm. We encourage all students participating to attend both sessions each week as they are able!

Throughout our time together, we will play games, have hands on activities that connect to the lesson, and have big group and small group discussions. During this time, we cultivate a space where our students can build friendships and community, have trusted mentors, ask questions, be given permission to say "I don't know", and have a spirit of wonder and exploration as students think deeply about their faith and make it their own.

Confirmation Wednesdays will begin on September 7th - we will meet in Luther Hall. Sunday Confirmation Forums will begin on September 11th, where we will meet in Room 108. Schedule is below. The table is full of Wednesday night specifics; at the bottom is the list of dates that Confirmation forum does NOT meet.

As you may notice, throughout our normal schedule of events we will have some special Wednesday nights and Forums. We will email you specific details as those come up. One thing that I would like to highlight: On September 18th at 9:45am, we will be hosting a "Mission Trip Announcement Forum" in Luther Hall for Confirmation and FLY. We ask that you and your student attend this meeting to hear more about Winter Retreat and the Mission Trip happening this coming Summer! Both are great experiences for our students to grow in their faith and in community with one another.

One additional thing to note - you may notice that there is an Acolyte training session. Faith is bringing back acolytes in worship and we need our Confirmation students to help lead worship in this important role! More details will be shared about Acolyte training and responsibilities as we get closer.

Communication wise, we will communicate through monthly emails through a program called Constant Contact. We encourage everyone to sign up for our remind texts which is where we will communicate quick details or cancellations as they occur. To sign up for Remind, send a text to 81010 with the message: @f292cec.

Each year, we ask that all of our students fill out registration forms to help make sure we are up to date on contact information as well as emergency contact information. Please take a minute to fill out the form found by following this link. This release form gives permission for the year as well as medical permission that is needed if your student is planning on attending any trips with Confirmation this coming year and summer. Here's the link to the form: [2022-23 Medical Release and Permission Form](#).
