## **WEEKDAY BIBLE STUDIES**

**Inspire Women's Bible Study** on Wednesdays from 10:00-11:00 AM, starting Sept. 6 in the Gathering Place. Our weekly study focuses on the Scripture passages we will hear the following Sunday morning. We explore context and layers of meaning in Scripture and talk about how God's Word speaks to our lives today. Together we grow in understanding through study and lively conversation.

**Little and Lesser Known Characters of the Bible:** Bible Study on Thursdays meeting from 10:00-11:30 AM starting, Sept. 7 in the Gathering Place. Each week we will look at lesser known characters of the Bible. See their place in the Biblical narrative, what their witness was and how it might impact our witness and understanding today. Join us for this unique look at some relatively unknown Biblical characters and how they impacted the journey of God's people and our own journey today. A reminder that this is a gender inclusive class and all are Welcome!
