INGREDIENTS

6 Chicken leg quarters, [we used 4 chicken breasts]
1 head garlic
2 big yellow onions
1 bag egg noodles
1 whole stick butter
ground pepper
chicken soup base [e.g. chicken boullion]
2 cans evaporated milk
3 carrots (diced)
salt
ground pepper.

DIRECTIONS

Boil chicken leg quarters in a big pot with 1 gallon water. When chicken is tender, remove from bones and shred meat into pieces with hands and set aside broth.

[If using boneless chicken breast, there are no bones; so just shred the cooked chicken.]

Boil pasta until al dente; drain water.

Sauté garlic, onion, and diced carrots in half portion of butter; add evaporated milk.

Add this sauté mix into the reserved chicken broth. Boil the broth then add the boiled pasta and remaining butter, add shredded chicken. Season with salt and ground pepper.
